

Casino International

Casino International is the specialised monthly magazine for the Casino Industry professionals all over the world. Its mission is to bring news, in-depth features, events and products direct to casino managers and operations, and to be the forum to discuss the major topics of the moment. Casino International has become the indispensable international business-to-business publication of the casino industry.

Euroslot

Euroslot is one of the premier publications for the coin-op amusements market in Europe and the World and has a circulation in excess of 7,000 every month. Euroslot provides readers with the latest news and new products for the trade from manufactures, distributors, agents and players along with company profiles, industry-focused product features and future development news. While Euroslot concentrates mainly on the European coin-op amusements market, it also features news on casinos, bingo, lotteries and on-line gaming from around the world with a special interest on Europe.
